

HOW TO REGISTER FOR MARCHING BAND

Marching Band - MUEN 0006

- *All students* must be registered for marching band. This class may not be taken for “no credit” or on a volunteer basis.
- If you are instructed that marching band is not a class, **please** provide this handout to your advisor during class registration.

GENERAL EDUCATION REQUIREMENT / SOCIAL AND PERSONAL RESPONSIBILITIES:

- Marching Band counts as an activity course in the **Social and Personal Awareness GER domain**.
- Please note that in order for KSS 1500 Physical Activity Core Concepts to count in the SPA domain, students must take any two KSS Activity Classes in addition to KSS 1500 Physical Activity Core Concepts. These courses do not have to be taken concurrently.
- Music majors must pick between the GER degree option, or the large ensemble requirement for their degree program; no double dipping!

IF YOU ENCOUNTER A TIME CONFLICT WITH MARCHING BAND WHEN REGISTERING FOR CLASSES, DO THE FOLLOWING:

1. Have your advisor do everything they're able to find another meeting time for the class that conflicts with marching band, even if it meets earlier in the day. Ask the advisor to be added to a section even if it is full.
2. If an unavoidable conflict exists, email Dr. Brandt Payne, bpayne@ysu.edu
 - Type in the subject heading “time conflict override” for marching band
 - In body of email include your: Name, Y#, and the CRN and course name that conflicts with marching band
3. Dr. Payne will return your email with instructions on how to process the time conflict override. You will then need to login to MY YSU once again and add marching band to your course schedule.
